YOUR DAY YOUR WAY

Ordinary is not an option.

//WHO WE ARE//

Here, at Serentipi, your event is our event and we will go above and beyond to make your experience with us an exceptional one from start to finish. Our story began with a desire to create a completely unique and alternative wedding for ourselves and driven by our passion to share our experiences with others, Serentipi was born!

Our tipis are truly stunning in their natural state, but our Extraordinary Extras really do bring your tipi event to life and guarantee that 'wow factor'. As standard, we provide everything you will need for your wedding but if you're looking to add a touch of sparkle, take a look at what we can offer!

Ordinary is not an option.

//FURNISHING YOUR TIPI//

Our beautiful rectangular tables & benches are made from reclaimed scaffold boards with farmhouse style grey painted legs, creating a rustic yet contemporary feel. At 2.4m in length, they can seat 8-10 guests with either benches or chairs. All our furniture offerings are completely bespoke to you so if you had something else in mind...round tables, wooden trestles, just let us know and we'll source it for you! We can also provide a variety of chair styles, from trendy wooden cross back chairs to classic Camelot or Chiavari, as options too.
